

# Campus Health & Recreation Survey for Parents

Description:

Date Created: 12/10/2009 5:13:06 PM

Date Range: 12/15/2009 12:00:00 AM - 1/4/2010 11:59:00 PM

Total Respondents: 462

## Q1. Continued access to quality, low cost health care (such as \$20 primary and urgent care visits, and \$25 counseling visits)

Count	Percent		
384	84.03%		Very supportive
47	10.28%		Moderately supportive
15	3.28%		Slightly supportive
11	2.41%		Not supportive
457	Respondents		

## Q2. Having high quality, comprehensive Campus Health medical services (urgent care, same-day general medicine and women's health visits, laboratory, x-ray, physical therapy, and pharmacy services),

Count	Percent		
376	81.92%		Very supportive
61	13.29%		Moderately supportive
13	2.83%		Slightly supportive
9	1.96%		Not supportive
459	Respondents		

## Q3. Funding for increased staffing to support crisis counseling and psychiatric visits (to address the increased demand for counseling and psychiatric services)

Count	Percent		
244	53.39%		Very supportive
116	25.38%		Moderately supportive
62	13.57%		Slightly supportive
35	7.66%		Not supportive
457	Respondents		

## Q4. Continued free health education services and resources (sleep/stress management, alcohol education and intervention, public health and safety response, e.g., H1N1 flu prevention and pandemic response, nutritional counseling and wellness resources)

Count	Percent		
281	61.49%		Very supportive
112	24.51%		Moderately supportive
42	9.19%		Slightly supportive
22	4.81%		Not supportive
457	Respondents		

## Q5. Funding for the operation and maintenance of Campus Recreation facilities (providing a first rate facility for students and supporting programs: Fitness, Intramurals, Outdoor Recreation, Aquatics, Sports Clubs, etc., given that 63% of students use the Student Recreation Center: a number expected to grow to 75% when the expansion opens)

Count	Percent		
332	72.17%		Very supportive
84	18.26%		Moderately supportive
29	6.30%		Slightly supportive
15	3.26%		Not supportive
460	Respondents		

**Q6. Funding to reinstate lost Student Recreation Center hours (allowing for broader facility access and additional student jobs)**

Count	Percent		
268	58.39%		Very supportive
131	28.54%		Moderately supportive
36	7.84%		Slightly supportive
24	5.23%		Not supportive
459	Respondents		

**Q7. How supportive are you of a \$160/semester fee (locked-in for four years) to ensure stabilized funding for low cost, high quality Campus Health and Recreation services?**

Count	Percent		
161	35.54%		Very supportive
121	26.71%		Moderately supportive
71	15.67%		Slightly supportive
100	22.08%		Not supportive
453	Respondents		

**Q8. You answered that you are not supportive of a \$160/semester health and recreation, locked-in fee. Please indicate what level you would support:**

Count	Percent		
90	98.90%		\$80 - \$100/semester
1	1.10%		\$101 - \$120/semester
0	0.00%		\$121 - \$140/semester
0	0.00%		\$141 - \$160/semester
91	Respondents		

**Q9. How supportive are you of a phased-in, \$40/semester fee (\$40 - 1st semester, \$80 - 2nd semester, \$120 - 3rd semester, \$160 - 4th semester) to ensure stabilized funding for low cost, high quality Campus Health and Recreation services?**

Count	Percent		
189	43.15%		Very supportive
102	23.29%		Moderately supportive
74	16.89%		Slightly supportive
73	16.67%		Not supportive
438	Respondents		

**Q10. You answered that you are not supportive of a phased-in, \$40/semester fee over the next 4 semesters (\$160 total fee). Please indicate what phased-in level you would support over the next 4 semesters:**

Count	Percent		
61	85.92%		\$20 - \$25/semester
4	5.63%		\$26 - \$30/semester
2	2.82%		\$31 - \$35/semester
4	5.63%		\$36 - \$40/semester
71	Respondents		

Q11. Previously, you indicated you do not support this fee. Please tell us which of the following programs, services, or areas you would support cutting in lieu of a dedicated health and recreation fee: (Check all that apply)

Count	Respondent %	Response %		
13	12.04%	6.95%		High quality, comprehensive Campus Health medical services (such as urgent care, same-day general medicine, women's health visits, lab services, x-ray and pharmacy)
31	28.70%	16.58%		Staff that support crisis counseling and psychiatric visits
42	38.89%	22.46%		Free health education services and resources (alcohol education and intervention, public health and safety response such as H1N1, flu prevention, sleep/stress management)
35	32.41%	18.72%		Operation and maintenance of Campus Recreation facilities and programs (such as intramurals, outdoor recreation, fitness equipment, aquatics, sports clubs)
40	37.04%	21.39%		Student Recreation Center hours (reduced hours, elimination of student jobs)
26	24.07%	13.90%		None
108	Respondents			
187	Responses			

Q12. Has your student ever used any of the services offered at Campus Health?

Count	Percent		
352	79.46%		Yes
91	20.54%		No
443	Respondents		

Q13. Has your student ever used the Student Recreation Center?

Count	Percent		
381	86.00%		Yes
62	14.00%		No
443	Respondents		

Q14. Does your student receive any financial aid?

Count	Percent		
171	38.60%		Yes
272	61.40%		No
443	Respondents		

Q15. Please describe the classification of your UA student:

Count	Percent		
150	34.17%		Freshman
82	18.68%		Sophomore
174	39.64%		Junior
31	7.06%		Senior
2	0.46%		Grad/professional
439	Respondents		

Q16. Please indicate the residency status of your UA student:

Count	Percent		
161	36.93%		In-state (Arizona resident)
275	63.07%		Out-of-state
436	Respondents		

Q17. Are you an alumnus of the University of Arizona?

Count	Percent		
35	8.01%		Yes (what year?)
402	91.99%		No
437	Respondents		

Q18. Are you the primary source of financial support for your student's education?

Count	Percent		
395	90.18%		Yes
43	9.82%		No
438	Respondents		

Q19. Please indicate your race/ethnic background:

Count	Percent		
6	1.38%		African American/Black
11	2.52%		Asian/Pacific Islander
21	4.82%		Hispanic/Latino
8	1.83%		Multiracial
0	0.00%		Native American/American Indian
348	79.82%		White
3	0.69%		Other (please specify)
39	8.94%		Prefer not to respond
436	Respondents
